Directorate of Distance Education

One Year Advanced Diploma in FINANCIAL SERVICES AND LEGISLATIONS

About the Programme

The Financial Services Sector is a core Sector and is the largest in the world in terms of earnings comprised of wide range of businesses including merchant banks, Investment Banks, Insurance Companies, Stock Brokerages, affiliated services etc. It is fundamental to the economic growth and development of any nation. However, Modern economies need effective regulations to support growth, investment, innovation, market openness and uphold the rule of law. A poor regulatory environment undermines business competitiveness and citizens' trust in government, and it encourages corruption in public governance.

Recognized as a premier institution in the field of law prominent in understanding the synergy between functional and legal entities of a business, this program will help transformation in capacity building in the field of financial services and legislations.
