Two Year M.A. in AVIATION LAW & AIR TRANSPORT MANAGEMENT

About the Programme

The aviation industry has always been a very unique industry in itself. Its rapid growth across the globe coupled with usage of the best and the most innovative technologies and increasing contribution to the economic and infrastructural development of a country makes the international civil aviation sector particularly important from both legal as well as management perspective.

Legal and Management aspects of International Civil Aviation are so well interconnected that the study of one aspect was incomplete without the study of the other. Thus NALSAR through its Centre for Aerospace & Defence Laws (CADL) had initiated this 2-Year M.A. (Aviation Law & Air Transport Management).
