Two Year M.A. in SECURITY & DEFENCE LAWS

About the Programme

After independence, India has faced many ebbs and flows in the fields of security developments. Periodic wars with Pakistan and China highlighted the need for greater India's security planning and policy in India. Although our political leadership exercises greater control over the domain of defence and security policy regime, it is imperative for the other sections of civil society to gain informed knowledge about the same discipline. Defence studies, War studies, Strategic studies as currently taught only in a handful of Universities in India.

This M.A Programme on Security and Defence Laws intends to equip the course participants with national and international legal framework governing the defence industry in the world, at regional levels and in India.
