## One Year Advanced Diploma in **MARITIME LAWS**

### About the Programme

The mission of the program is to provide a springboard for graduates thereby establishing knowledge and understanding of theoretical and practical issues affecting private and public maritime law and policy, enable an appreciation of comparative approaches to national aspects of maritime law and policy and provide the opportunity for candidates to learn from the experience of current practitioners in the maritime field to help them enter into key positions in national and International Law firms, international organisations, non-governmental organisations, and positions in public administrations. There is likely to be high demand for professionals in the area going forward, particularly in rapidly growing emerging markets.

The main objective of the programme is

- a) To provide advanced level knowledge and skills in specialist area of maritime law and policy through independent research;
- b) To improve both research and independent study skills; and
- C. To enhance the learner's ability to develop substantiated critical argument.

### Eligibility

- a. Bachelor's Degree or an equivalent Degree in any discipline from any recognized University; or
- b. Candidates who complete three years of their 5-Year Integrated LL.B. Degree Programme in Law; or
- c. Candidates appearing for the final year examination of Graduation / Engineering are also eligible to apply.
